## Warranty:

Central Cabinets Direct hereby warrants that all cabinets sold by Central Cabinets Direct are free from defects in material and workmanship. This warranty is limited to the replacement of solely the defective part. Warranty does not include labor services and/or labor cost for the defective item.

This warranty does not extend to defects caused by product modifications, improper handling, storage, installation, assembly, disassembly, heat exposure, humidity exposure, or any other forms of negligence, misuse, and/or abuse.

## Updated Product Line:

Central Cabinets Direct reserves the right to update product lines and may make changes to individual product specifications at any time. If a warranty claim is submitted against a discontinued product, Central Cabinets Direct will replace the item with a comparable product of the same or similar style.

Central Cabinets Direct is not responsible for a replacement product that may not be an exact match to the originally installed item.

## Variations and Environmental Exposures Not Covered:

All wood products naturally expand and contract with respect to the heat and humidity levels in the surrounding environment. This natural movement may cause painted and/or stained products to develop separations or breaks as the material ages. Exposure to sunlight, moisture, smoke, household cleaners, corrosive substances, and other environmental conditions may cause products to warp, split, shrink, or crack.

These variations are considered to be natural and related to the environmental exposure of the product, therefore, are not covered by the limited one-year warranty.

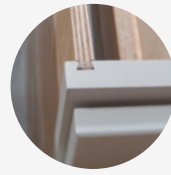

## Disclaimers:

Central Cabinets Direct makes no warranties other than those set forth herein and all other warranties are hereby disclaimed. Warranties do not cover costs of installation, removal, transportation, or any subsequent damage to products regardless if work was performed by contractor, service company, or owner.

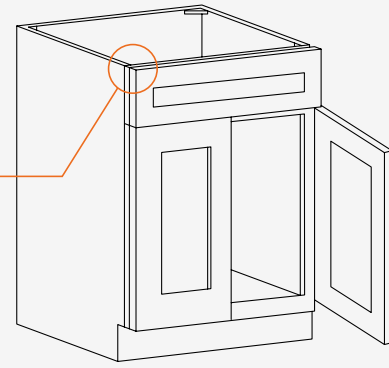

In no event will Central Cabinets Direct be held responsible for incidental damages including but not limited to damages arising from personal injury, lost profits, loss of business opportunity, loss of property, economic losses, or statutory or exemplary damages. This limited liability includes any and all parties, including homeowner or end-user to which the original purchaser sells Central Cabinets Direct.

# CABINET FEATURES

- Full-overlay fronts
- 1/2" plywood construction
- Dovetail drawer construction
- 5/8" drawer box construction
- Soft-close doors & drawers
- Undermount drawer glides
- Full-depth shelves
- Paint & Stain finishes
- Damage-conscious packaging

Dovetail box construction
